Maximising Progress Through Assessment for Learning

Practical formative assessment tools that can have a dramatic impact in the classroom

Price: £299+VAT **Timings:** 10am - 4pm

The effective use of formative assessment is an area often cited as one requiring improvement. This course examines strategies for using AfL to ensure that while progress is maximised, students are engaged and motivated and involved in celebrating their own achievements.

Course content

- Using baseline data in KS3
- The positive impact of AfL in your department
- Embedding assessment into your schemes of work, lesson planning and marking
- Developing clear learning outcomes and setting effective targets
- Providing effective feedback to motivate and raise achievement
- The importance of peer assessment and self-assessment

Suitable for

Teachers and heads of department in UK secondary schools and FE colleges keen to enhance progress by embedding AfL into the curriculum.

Assessment for Learning in Dance

Using techniques bespoke to dance at KS3 and beyond to inform planning and progression

Course reference: 8275ZTV **Price:** £299+VAT **Timings:** 10am - 4pm

This course will allow you to engage with summative and formative assessment tools and explore the vital role it has to play in gauging pupil ability and development. It examines strategies for using AfL to ensure that while progress is maximised, students are engaged and motivated and involved in celebrating their own achievements.

Course content

- Plan lessons, workshops and schemes with built in assessment points to support planning, progression and reporting
- Use data to identify more able students and to ensure you meet Ofsted requirements for pace, stretch and challenge in lessons
- Use assessment descriptors and levels to determine progress
- Unpack the jargon to make the process transparent for staff, parents and pupils
- Use peer and self-assessment with confidence to ensure pupils are part of the process
- Recognise how assessment can work throughout the creative faculty with shared terminology

Outstanding Marking and Feedback

Maximising impact and raising student achievement

Course reference: 8250ZTV **Price:** £299+VAT **Timings:** 10am - 4pm

Feedback has been identified as one of the most important factors in raising student attainment levels and closing the gap in performance. This course looks at how teachers can use their time most effectively to use marking and feedback to gain trust, confidence and build the capacity to improve for all students.

Course content

- Develop effective strategies to feedback and feed forward
- Use AfL as an aid to effective planning
- Find ways of making both marks and comments effective
- Understand assumptions regarding pupils' ability to monitor and improve their own work - engaging with the comments
- Develop effective plenary sessions to use peer marking embed learning and support next steps
- Use marking, drafting and verbal feedback to encourage higher order thinking skills

Art A Level: Essay Writing and Written Annotation

Increase your confidence and understanding to achieve best practice to deliver the new written assessment

Course reference: 8284ZTV **Price:** £299+VAT **Timings:** 10am - 4pm

This practical course, taking into account new specifications, will prepare you for what is required to fulfil the written elements in A level art. Using written and visual materials, the course will demonstrate how to make sense of the written elements, covering practical research, recording, analysing and reviewing techniques to support written annotation and continuous prose elements.

Course content

- Explore what makes meaningful annotations and construct writing frames to support continuous prose
- Devise support strategies for students' personalised approaches to essay titles for continuous prose
- Write critically and analytically, making links between written pieces and students' own work
- Support students' understanding of relevant social, cultural or historical contexts
- Build your confidence in assessing the written component for A level component
