Girls Behaving Badly

How to really address the growing issue of poor behaviour by female students

Course reference: 6957ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Recent experience suggests that there has been a change in attitude in many girls in secondary schools across the country. Ungracious, surly, truculent, deliberately unpleasant behaviour appears to be on the increase. There are no easy answers. However, this course aims to consider why so many girls are causing problems for teachers and fellow students and explores strategies which have proven to be successful.

Course content

- Dealing with disruptive and uncooperative behaviour
- Exploring pressures, tensions and the power of self-image
- Developing positive relationships
- Understanding the need for consistency
- Analysing case studies and sharing successful strategies
- Looking at behaviour as a whole-school issue

Course dates

We run courses in 11 cities across the country

[view dates](#)

Suitable for

Teachers, learning support staff and pastoral staff who want to understand and address the recent rise in bad behaviour in girls.

“ ***An excellent course. Extremely practical with thought provoking ideas. Much to take back to school and work with.*** ”

Rose Seymour - Bishop Challoner Catholic Collegiate Girls School

Tackling Low Level Disruptive Behaviour

Don't let the little distractions ruin the learning for the rest of the class

Course reference: 7877ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

This course is suitable for teachers and teaching assistants looking for proven strategies to tackle low level disruptive behaviour. At best this behaviour impacts on the ability of other learners to participate in your lesson; at worst it can escalate into more serious behavioural issues. This course will teach you effective strategies you can implement in order to regain control of every class you teach.

Course content

- Setting the ground rules and sticking to them
- Ten top strategies for the moment disruption occurs
- Recognising and reinforcing positive behaviour
- Understanding and addressing the causes of disruption
- Getting off on the right foot: developing engaging lesson starters
- Enabling students to stay on task by effectively delivering instructions they can follow

Course dates

We run courses in 11 cities across the country

Provide Your Staff the Tools to Tackle Challenging Student Behaviour

Explore pragmatic approaches to lead your team to manage difficult behaviour

Course reference: 8295ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Draw on real life examples of outstanding practice, as well as focusing on strategies for team leaders to ensure their own survival and well-being when leading teams under pressure. This course will focus on successful practice in promoting improved behaviour, learning progress, key strands in self-evaluation and the Ofsted framework and supporting colleagues in finding practical ways to develop their practice.

Course content

- Identify strategies for leading staff to manage behaviour
- Establish how to ensure your own well-being whilst supporting and leading your team
- Identify ways to empower your staff to use pro-active approaches
- Reduce the frequency of upward referrals and issues
- Develop a usable model to train staff in de-escalation skills
- Produce an action plan to further develop and reinforce best good practice

Working with Parents to Tackle Problem Behaviour

Develop an excellent relationship with parents and work together to tackle problem areas

Course reference: 7892ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

This course explores strategies for working collaboratively with parents and carers to tackle problem behaviour and attendance. By the end of the course, delegates will have the knowledge they need to begin working in partnership with parents and will be prepared to overcome common pitfalls and barriers.

Course content

- Exploring the teacher-parent-student relationship
- Tackling socio-economic factors which act as a barrier to school and attainment
- Identifying the issues and focusing on solutions
- Ways of holding parents to account that are not intimidating
- Monitoring progress and celebrating success
- Methods for collaborative problem solving
- Potential barriers and strategies for overcoming them

From Bullying to Bereavement - Providing Emotional Support for Distressed Students

Promoting a culture of emotional health and well-being in your school

Course reference: 8283ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

This course will enable you to understand and provide a supportive response to those students who may undergo traumatic times in school. You will return to school equipped with strategies and techniques to help you support students dealing with grief, bullying, anger, stress, friendship and relationship issues and all other overwhelming emotions.

Course content

- Develop knowledge of approaches to counselling in young people at school
- Understand how to constructively relate to young people in acute distress when facing emotional trauma
- Recognise the importance of excellent communication and interpersonal skills
- Explore the factors which can cause, or prevent, anger and stress in the school community
- Identify how to implement a positive school culture which encourages well-being for pupils and staff

Managing Behaviour in the Drama/Performing Arts Space

Don't let poor behaviour ruin your drama lessons

Course reference: 7848ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

This course is suitable for all teachers of any performing arts. It is designed to help them encourage more positive behaviours in a space designed for active learning and, consequently, sometimes open to abuse.

Course content

- Classroom management and the use of space
- Clothing and equipment
- Dealing with the problems of group work - “I don't want to work with...”
- Dealing with the individual - “What's the point of...”
- Suitable schemes of work - “We've finished...”
- To perform or not to perform...
- Managing yourself – ways you can keep calm and sane!

Course dates

We run courses in 11 cities across the country

[view dates](#)

Suitable for

Specialist or non-specialist drama teachers and support staff who want to encourage positive behaviour in drama lessons.

“

A Whole School Approach to Anti-Bullying in Primary Schools

Develop positive and effective strategies to tackle different forms of bullying in primary schools

Course reference: 1171ZUJ **Price:** £269+VAT **Timings:** 10am - 4pm

This course will explore how to implement and monitor anti-bullying frameworks, specifically tailored to the primary school setting. Fostering both a positive school climate and combating a range of bullying contexts, including cyber-bullying, this course will explore highly effective methods to tackle all forms of bullying.

Course content

- Explore the different forms of bullying, and devise a definition for your school
- Ensure your anti-bullying policy is relevant, outlining legal expectations, responsibilities and how to address incidents
- Define the roles and responsibilities of each stakeholder to combat bullying
- Develop effective strategies for pupils to become more assertive and how they can tackle bullying
- Recognise how cyber-bullying is different from other forms, and how to respond to its misuse
- Implement a five point prevention plan to minimise bullying and cyber bullying

Successful Behaviour Management in the Science Laboratory

Exploring behaviour management strategies that have made a positive difference in the classroom

Course reference: 7384ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Achieving effective learning in science lessons is not getting any easier! This course explores a range of behaviour management strategies that teachers have found to make a positive difference.

Course content

- Ensuring that science is 'special'
- Establishing and maintaining the ethos
- The laboratory rules
- Laboratory organisation, seating plans, entering and leaving
- Effective use of rewards and sanctions
- Planning the teaching and learning
- Catering to preferred learning styles

Using Small Group Interventions to Manage Behaviour

Effective strategies to improve student behaviour

Course reference: 7920ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Small group work has been found to be very effective in improving social behaviour. This course will look at practical ideas for running small groups to help students manage their own behaviour. Implementation, management and practical strategies will be explored. This course is suitable for behaviour support staff, SENCOs and managers.

Course content

- Planning an effective intervention
- Organisation and structure of small groups
- Development of an effective SEBS (Social and Emotional Behavioural Skills) programme
- Small group work in SEAL
- Helping communication skills, friendship, self control and social problems
- Anger management classes
- Use of games and play

The Assertive Teacher

How assertiveness can put you in a win-win situation when dealing with colleagues and pupils

Course reference: 8054ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Assertiveness is a great asset that all teachers should have as it enables you to keep control whilst confidently leading learning. During this course you will develop the key skills needed to become a truly assertive teacher and learn how to apply this in a variety of situations in the classroom. This will enable you to confidently keep control of the class, foster an environment of mutual respect and overcome many of the common barriers to learning.

Course content

- Understanding the key skills underlying assertive teaching
- Planning for success – how to prepare for successful lessons
- Communicating assertively and leading learning effectively
- Using body language effectively in the classroom
- Adopting an assertive approach to behaviour management
- Fostering an environment of mutual respect

Classroom Management for TAs and Cover Supervisors

An in-depth guide to the essentials of classroom management

Course reference: 8057ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Teaching assistants and cover supervisors can be asked to teach or support a variety of different subjects, sometimes at very short notice. For this reason it is vital to have a range of flexible teaching skills at your disposal that you can use to take control of the classroom, gain the respect of the class quickly and maximise the opportunities for learning. This course will equip you with the practical skills you need to teach in a variety of situations. It is ideal for those staff from primary, secondary and special schools, as well as FE colleges.

Course content

- Leading learning – applying leadership and team working skills to the classroom
- Communicating effectively in the classroom
- Adapting your skills and knowledge to teach any topic
- Gaining the trust and respect of students quickly
- Effective strategies for motivating and engaging students

Boosting Attendance in your School

Practical interventions to raise standards through increased attendance

Course reference: 7861ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Boosting attendance can be a key factor in whole-school improvement, with clear links to raising standards. This course will give you the information to establish a thorough system for managing and improving attendance, with lots of ideas on practical interventions that have worked successfully in other schools. This course is suitable for senior leaders and those involved in managing attendance.

Course content

- The regulations and guidance on registration and attendance
- Auditing current provision and developing a robust attendance policy
- Case studies of successful interventions from other schools
- Use of data and effective monitoring
- Available support services and external agencies
- Developing staff and creating a positive whole-school climate
- Curriculum changes that boost attendance

Implementing Positive Behaviour Management in the Classroom

How to develop an ethos of positive behaviour and build excellent teacher pupil relationships

Course reference: 8062ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Developing an ethos of positive behaviour in the classroom is an excellent way of maximising pupil performance, minimising disruptive behaviour and nurturing positive pupil-teacher relationships. During this course, you will explore ideas for implementing a policy for positive behaviour in the classroom and develop a range of strategies and techniques you can use to embed these ideas on your return to school.

Course content

- Developing an approach for positive behaviour management for your classes
- Organising the curriculum to encourage positive behaviour
- Establishing ground rules and providing consistency
- Making best use of rewards and sanctions
- Celebrating achievement and encouraging success
- Managing disruptive behaviour proactively and assertively

Tackling School Phobia

A practical guide to working together to support phobic pupils and improve their attendance

Course reference: 8287ZUJ **Price:** £299+VAT **Timings:** 10am - 4pm

Schools need to be proactive in actively promoting attendance but staff may feel that school phobias are caused by external factors out of their control. This course aims to identify significant support that schools can offer the child and its parents/carers to enable the school and the family to work together to manage the phobic behaviour.

Course content

- Develop a better understanding of school phobia
- Provide an environment that will support the phobic child
- Identify ways that can increase attendance levels in school
- Set up positive relationships between the school, the child and the family
- Develop specific, outcome driven targets in the school development plan to demonstrate rising attendance levels
- Practical advice on managing Local Authority and Ofsted expectations
