Promoting Reading and the School Library

Practical strategies for encouraging enjoyment and excellence in reading and literacy

Course reference: 7682ZTG **Price:** £299+VAT **Timings:** 10am - 4pm

With the right attitude from students and staff, the school library can be the jewel in a school's crown, offering a centre for learning, enjoyment and excellence. This course is suitable for library staff, literacy coordinators or interested staff looking for practical strategies to encourage a positive approach from both staff and students towards reading and the school library.

Course content

- The role of the school library
- Motivational and demotivational factors for young readers
- Practical strategies for promoting reading
- Effective ways of increasing the profile of the library amongst students and staff
- Common pitfalls and ways around them

Course dates

We run courses in 11 cities across the country

The Effective School Librarian

Practical strategies for successfully running the school library and meeting the needs of its many users

Course reference: 7886ZTG **Price:** £299+VAT **Timings:** 10am - 4pm

The school librarian fulfils many roles including managing resources, working in partnership with teachers, supporting students, teaching research and study skills, and supporting literacy. To enable you to effectively prioritise and manage these responsibilities, this course explores practical strategies for successfully running the school library and meeting the needs of its many users.

Course content

- Selecting and managing resources to support curriculum needs
- Organising books and displays to maximise engagement and motivation
- Developing effective partnerships with teachers
- Understanding how children learn – effective teaching styles
- Supporting literacy and promoting reading
- Effective time management and task prioritisation

Course dates

We run courses in 11 cities across the country
