Outstanding Learning in the New Primary Curriculum

How to achieve outstanding in the context of the biggest changes to the National Curriculum in 25 years

Price: £269+VAT **Timings:** 10am - 4pm

With a new National Curriculum, tougher Ofsted inspection regime, and ever increasing floor targets getting teaching to outstanding has never been harder – or more important. This practical course looks to cut through the hype and examine what it takes to deliver lessons that achieve outstanding learning and progress.

Course content

- What is required for outstanding learning and progress
- Discover the key differences and new expectations in the revised curriculum
- The concept of 'core knowledge' and how to develop an outstanding curriculum with the Programmes of Study at its heart
- Proven techniques to adapt existing lesson plans and schemes of work to meet Ofsted and National Curriculum requirements
- Assess accurately and monitor progress effectively with National Curriculum levels no longer obligatory

Planning and Implementing a Meaningful Primary PSHE Curriculum

A practical guide to PSHE development in KS1 & 2

Course reference: 1173ZUB **Price:** £269+VAT **Timings:** 10am - 4pm

As a primary school teacher, you will understand the importance of developing a supportive learning environment that promotes the emotional, personal and social development of every child in your school. This course will offer the latest information to support PSHE development in primary schools, presenting a framework for devising your programmes of study and an opportunity to consider a variety of teaching and learning strategies to ensure your work makes an impact on your pupils' personal growth.

Course content

- Explore the benefits of a whole-school approach to PSHE
- Consider a practical framework for planning a meaningful PSHE curriculum for your primary school
- Examine a range of possible delivery models to find the right one for your school
- Identify various teaching and learning strategies for delivering effective PSHE
- Assess the impact that your programme has on your pupils and plan for the future

Course dates

We run courses in 11 cities across the country
