How to Provide a High Quality Cleaning Service

Learn how to excel in your role and provide excellent service

Course reference: 6973ZTJ **Price:** £299+VAT **Timings:** 10am - 4pm

This comprehensive one-day course provides supervisors with an extensive selection of ideas and approaches in order to ensure the provision of a high-quality cleaning service. The topics covered are wide-ranging, with specific emphasis placed on organisation, management and the specifics of the science of cleaning. This course is ideal for those staff from primary, secondary and special schools, as well as FE colleges.

Course content

- Getting the work done, working with other people
- Giving and taking instructions
- The role of the supervisor
- Passing information to the management
- The science of cleaning
- Setting standards and monitoring performance
- Responsibility for health and safety

Course dates

We run courses in 11 cities across the country

Managing Construction and Contractors on Education Sites

Ensuring sites at school are safe and well managed

Course reference: 6836ZTJ **Price:** £299+VAT **Timings:** 10am - 4pm

Major and minor building work on-site is the responsibility of the school. This course explores the implications of building works with reference to practical legal and safety issues. It is ideal for those staff from primary, secondary and special schools, as well as FE colleges.

Course content

- The Construction, Design and Management (CDM) regulations and how they affect schools and colleges
- Devising site-inspection schedules and making them work
- Producing a safety plan for the school/college
- Dealing with external contractors/sub-contractors
- The identification of those who are legally responsible
- Legal liability and third party insurance

Course dates

We run courses in 11 cities across the country
