Stretching More Able Students in RE

Highly effective strategies to improve the achievement and progress of more able students in high ability and mixed ability groups

Course reference: 7929ZSR **Price:** £299+VAT **Timings:** 10am - 4pm

This course is essential for both new and experienced RE teachers who are looking to support their most able students in attaining outstanding learning and progress in both mixed ability and high ability groups. Heads of department and other middle leaders will also benefit, as will teaching assistants assigned to support the learning of your most able students in RE.

Course content

- Plan effective, differentiated RE lessons that challenge your most able learners
- Devise extension activities that combine both breadth and depth
- Develop personal learning and thinking skills
- Support able learners through classroom talk and questioning
- Set high expectations and monitor progress through effective assessment
- Tackle the underachievement of more able students
- Enrich learning outside the classroom with some engaging and practical ideas

RE at Key Stages 3 and 4: A Guide for Non-Specialists

Everything you need to know to teach RE with confidence and style

Course reference: 7926ZSR **Price:** £299+VAT **Timings:** 10am - 4pm

By building on your existing teaching skills and exploring how these can be applied within the context of the RE classroom, this course will enable you to maximise the achievement and enjoyment of your students. Key curriculum topics and popular lesson activities for teaching these will be discussed with particular attention paid to the teaching of common problem areas. This course is specifically aimed at experienced teachers who are new to teaching RE and will also be useful to TAs who would like to enhance their subject knowledge.

Course content

- National framework at KS3 and 4: an overview
- Key concepts and how to teach them
- Successfully teaching curriculum areas students often find hard to grasp
- Teaching techniques for popular topics
- What Ofsted expect of an outstanding RE lesson

Call: 0800 881 8185 | www.creativeeducation.co.uk/7926 | Fax: 020 7190 5853

Leading a Successful RE Department

The essential skills and techniques for leading an outstanding RE department

Course reference: 7925ZSR **Price:** £299+VAT **Timings:** 10am - 4pm

Heads of department and curriculum leaders working in schools and colleges carry out a critical role in the management of schools and learning. The DfE has rightly championed the role and formalised the standards that those carrying it out should reach. This course aims to give you practical advice that will enable you to ensure that your RE department is playing a full part in transforming learning and teaching in your school.

Course content

- Understand what it means for leadership and management in RE to be successful according to Ofsted
- Learn how to truly lead the learning in RE creating an environment and curriculum that supports outstanding learning and progress
- Develop pupil-centred strategies to ensure you can engage your learners to maximise student achievement
- Motivate and manage your colleagues effectively, developing them into a strong teaching team

Course dates

We run courses in 11 cities across the country

GCSE Religious Studies in One Lesson per Week

With time at a premium you can still enable all children to succeed

Course reference: 7815ZSR **Price:** £299+VAT **Timings:** 10am - 4pm

This course is intended for teachers who wish to deliver the full course GCSE religious studies but have only one allocated period a week in KS4. The course is designed to enable teachers to deliver the course within a mixed ability setting at KS4 based on 35 lessons per school year, thus making the full course GCSE available to all students rather than an option group.

Course content

- How full course GCSE religious studies is possible on one lesson a week
- Overview of teaching methodology
- Practical examples of teaching methodology
- ‘On track’ assessment, how students know they are succeeding
- Exam planning / revision materials

Course dates

We run courses in 11 cities across the country

Maximising Progress by Differentiating in RE

Practical approaches to raising standards of achievement by effective differentiation

Course reference: 7655ZSR **Price:** £299+VAT **Timings:** 10am - 4pm

Effective differentiation is key to enabling every student to reach their potential in the RE classroom. This course explores practical approaches to creating differentiated schemes of work and lesson plans, enabling you to engage, motivate and stretch every member of the class.

Course content

- Use differentiation as a tool to maximise enjoyment and achievement
- Effectively assess the needs of students of different abilities and bridge the gap between those abilities
- Provide an engaging and supportive learning environment through a range of different strategies
- Develop resources and strategies for planning differentiated schemes of work in RE

Outstanding Learning and Progress in RE

Going one step further to deliver lessons that your students and Ofsted will love in RE

Course reference: 8077ZSR **Price:** £299+VAT **Timings:** 10am - 4pm

Teaching outstanding lessons is an aspiration that all teachers share. This course will show you how to deliver outstanding lessons, making them highly successful and engaging for your students. Along the way you will really get under the skin of what Ofsted deem outstanding in RE and hone your teaching skills in order to teach great lessons consistently.

Course content

- Understand what it means for learning to be outstanding in RE according to Ofsted and how close you are to achieving it
- Develop pupil-centred strategies to ensure you build positive relationships with your learners so outstanding learning can take place
- Explore ideas, resources, techniques, and models of excellent practice to support outstanding learning and progress in RE
- Robustly monitor your students' achievement and set meaningful targets to maximise progress in RE
